

Compound Sentence Match Sheet 2

A compound sentence is two simple sentences joined together using a conjunction.

1. Draw lines to join the simple sentences. The first one has been done.

Simple sentences	Simple sentences
Hannah was very tired.	It was a very windy day.
Mel climbed up the tree.	He was very scared.
The boy tried hard.	She slept through her alarm.
It was only a movie.	She let the first customer in.
The shopkeeper opened the door.	He couldn't answer the question.
The family took kites to the park.	Her ball was stuck.

2. Create compound sentences by choosing conjunctions from the box below to join the pairs of simple sentences you matched in question 1.

Conjunctions				
for	and	but	so	
because	nor	or	yet
