

## Compound Sentence Match Sheet 3

A compound sentence is two simple sentences joined together using a conjunction.

1. Draw lines to join the simple sentences. The first one has been done.

Simple sentences	Simple sentences
The dog barked loudly.	She cried out in pain.
The bird swooped down.	Another one came along.
Tess missed the bus.	The family woke up.
It was hopeless.	It caught a worm.
The door shut on her fingers.	He could see his lost ball.
The boy leaned over the fence.	The ball was too high in the tree.

2. Create compound sentences by choosing conjunctions from the box below to join the pairs of simple sentences you matched in question 1.

Conjunctions			
for	and	but	so
because	nor	or	yet
