

# Compound Sentence Match Sheet 1

A compound sentence is two simple sentences joined together using a conjunction.

1. Draw lines to join the simple sentences. The first one has been done.

Simple sentences	Simple sentences
The dog barked loudly.	The boy didn't know.
Samuel pushed his bike.	His had lost his helmet.
The man set his alarm.	The family woke up.
They girls shared stories until late.	He had to get up early.
James listened carefully.	They were tired in the morning.
Gavin didn't know where the horse went.	He couldn't understand.

2. Create compound sentences by choosing conjunctions from the box below to join the pairs of simple sentences you matched in question 1.

Conjunctions			
for	and	but	so
because	nor	or	yet
